

## SDRAN Fall 2023 RAC Drugs Preparatory Sessions (Recorded) Registration Announcement

The SDRAN Education Committee is pleased to offer the recorded set of the Summer 2022/2023 Regulatory Affairs Certification (RAC) Drugs Preparatory Sessions presented via the zoom meeting platform. The Education Committee is also pleased to offer a discounted rate on the RAPS textbook through RAPS once you register for our program.

SDRAN has 21 study seminar videos and slides decks for the RAC Drugs Preparatory Sessions for the Summer 2022/2023 live series. This includes two introductory seminars on the exam study process and Preparatory Sessions. These study sessions aim to help those interested in preparing for the Autumn 2023, and Spring 2024 exams.

Format:	Recorded sessions held via Zoom (Internet connection required). Videos are available on-demand for self-study (no downloads or sharing permitted). <i>Note: These are recorded sessions and are not void from technical/connection issues.</i>
Video availability:	RECORDED sessions and material from the 2022/2023 library will be available for a limited time, from <b>September 1 until December 29, 2023 (Inclusive)</b> .
Registration and Fees:	<p>Open to 2023 SDRAN (&amp; OCRA) members only. Registration fees and timelines are listed below. <i>Only the email address and name provided at registration will be used for video/lecture access.</i></p> <p><i>If you are not a current member of SDRAN, you will be prompted to pay for your membership along with the registration fee for the Preparatory Sessions. Membership can be obtained by visiting the SDRAN website (<a href="http://www.SDRAN.org">www.SDRAN.org</a>) for a fee of \$55. Please acquire your SDRAN membership before registering for the sessions.</i></p> <p><i>OCRA members are also eligible to register for these sessions at the SDRAN member rate. Please contact the <a href="#">VP of Education</a> to access registration.</i></p>
